RE: Petition of Bally's Atlantic City and Showboat Regarding Necessity for Key License
PRN 1221102

Dear Ms. Hughes:

Bally's Atlantic City and Showboat have filed a petition requesting a ruling on whether Sunil Shah, casino key employee license #8923-11, is required to continue to maintain a casino key employee license. Mr. Shah is currently employed as financial controller for Bally's and Showboat. He has no discretionary decision-making authority regarding casino or simulcasting operations. He reports directly to another casino key employee, Karen Worman, the vice president of finance for Bally's and Showboat.

In such circumstances, the Division of Gaming Enforcement agrees that Mr. Shah needs only a casino employee registration to perform his present duties. Should Mr. Shah be granted discretionary authority, this decision would be revisited.
